

QUALITY TOOLS THAT GO TO WORK WITH YOU®

Spiral TIP SAVERS™

TIP CLEANERS

EXCLUSIVE LOCK-IN-KNOT
ON SMALL WIRES

TCP Propane Set

DESIGNED AND
MADE IN THE

FORT LAUDERDALE
FLORIDA

Uniweld Tip Savers are known for the Exclusive LOCK-IN-KNOT on small cleaning wires and for the tapered pilot ends that will not damage tip orifices. The durable aluminum case has drill size cleaning data stamped on the back. The roll formed spiral stainless steel wires are rustproof and strong. The long roll formed spiral cleans a larger number of tip styles. A hard steel file is included in each case.
